

GUAM BOWLERS SETS NEW AIBC TEAM RECORD ON ROUTE TO GOLD MEDAL

Team Guam broke all sorts of records during the second block of team events to claim their first gold medal of the 26th Asian Intercity Bowling Championship. Jay Leon Guerrero registered his second Asian Intercity perfect game on lanes 15 and 16 to start the team off the blocks and help cut into the 81 pin deficit from George Town, Malaysia. However, the 917 set was only good enough to stay in second as Hong Kong surged ahead of Guam with Hung Po Fai duplicating the feat as he bowled a perfect game on lanes 19 and 20. Guam's record setting performance team of JD Castro, Jay Leon Guerrero, Duane Camacho and John John Ada established a new one game team record

for the Asian Intercity Bowling Championship during game 2 of the team event second block for the 26th edition contested in Premium Lanes, Sunshine Square, Penang, Malaysia. The team registered a total score of 1,069 pin falls as strikes reigned throughout the course of the game where Guam's competitors struck on 39 of 48 frames on lanes 11 and 12. Castro led off the team's effort with a 223 game doubling on every other frame. Leon Guerrero continued his striking scheme as he flushed the front nine frames before leaving a seven count on the tenth frame converting for a 277 score. Duane Camacho opened the game with a split spare then ran the sheet to bowl a 290, the highest game

for the team, while anchor John John Ada added the exclamation point with eleven strikes in a row after opening the first frame for a 279 game. The 1069 total along with the first game series of 918 pins catapulted the team to the top post after five games providing cushion from the host and first block leaders Georgetown, Malaysia and fourth game leader Hong Kong. With the comfortable lead, Team Guam continued to strike at will to seal the Gold medal with a 5297 six game set, 282

pins ahead of Hong Kong while George Town, Malaysia claimed the bronze with 5008. Leon Guerrero connected 21 strikes in a row which aided in sneaking into the All Events medal podium. His 790 three game set in the final block of team events grabbed the bronze medal sneaking past George Town's Jason Yam Khai Donq.

Pangelinan wins Gold in 2012 International Senior Classic

Guam's shining spot came when Mary Pangelinan took the gold in the women's singles event. She also made it to the masters finals and finished fifth overall out of a field of 36 women from around the world. The highest men's finisher was current GSBF and Asia Senior Bowling Council president (Ret.) Col. Joseph Mafnas who finished 27th out of 72 competitors. The host Malaysia group has invited the Guam Team to return next year in July where it will be held in Bangkok.

GUAM BOWLERS WIN DOUBLE BRONZE IN MEN'S MASTERS

bounced looked to be in cruise mode as he took the first game from Jay Leon Guerrero of Tamuning 212-201 and started off the second game with a double. However the perfect game bowler from Tamuning found his groove to knot the set at one a piece with a 248-170 drubbing of the lower seed. In the rubber match, Leon Guerrero seemed to be in total control until a split in the eighth frame provided an opportunity for Dali who seized the moment. With hope at the end of the tunnel, Dali punched out from the eighth frame to surprise the higher seed and advance to the finale 201-196.

in a hard fought 215-202 and 234-196 match to advance to the finals against Dali. Dali controlled the finals match from the get go as Man was unable to find his stroke. Dali slammed the pocket consistently during the first game easily securing the first game 268-196. He then proceeded to deplete the hopes of the younger foe as he downed 186 pins to Man's 180 for the Gold. With the loss, Man took home the silver while Leon Guerrero and Ada earn bronze for their efforts.

There were no dragon slayers around as he submitted sets of 1302, 1367 and 1397 in the Singles, Doubles and Team events respectively averaging 225.9 pins per game. Jeremy Posadas of Paranaque jumped Tamuning's Jay Leon Guerrero and George Town's Jason Donq in the last game of the team event. Leon Guerrero performed the feat using the Storm Nano Invasion on lanes 13 and 14 in Premium Lanes, Sunshine Square, Penang, Malaysia. Leon Guerrero registered a back to back perfect game championship performance with another 300 game bowled during the doubles event contested during the 25th Asian Intercity Bowling Championship in Singapore. He also used the Storm Nano Invasion when he bowled a perfect game during the 2012 Euro-Med Storm International Classic held in Manila, Philippines last March. Bowling two pairs away on lanes 19 and 20, Achilles Hung of Hong Kong answered with his version, packing twelve strikes in a row to register the second perfect game of the championship. Perez Takes October Senior Bowler Title

4th seed Bal Perez took advantage of open frames in the first four frames by 10th seed Zaldy Ponce to become the October Senior Bowler of the Month Sunday afternoon at Central Lanes. 21 seniors, including several members who competed in Malaysia tournament earlier this month, took to some tricky lane conditions during the 6 game qualifier.

Mary Pangelinan, who received a gold medal in the Malaysia tournament, was the top seed followed by Joe Mafnas, Jhun Viray, and Perez. The rest of the field participated in the shootout round.

Ponce got past 9th seed Kin Sablan and 8th seed Buddy Saludo in bracket 1 of the

shootout round. 7th seed Norbie De Silva rolled over 5th seed Cindy Reyes and 6th seed Chuck Meno Sr.

MANIBUSAN DEFENDS MONTHLY YOUTH BOWLING TITLE

In a finals that featured the top two seeds, Brandon Manibusan successfully defended his monthly reign as the youth bowler of the month. Top seed Paul Kaneshiro shaved off Manibusan's handicap advantage with a double, striking on the eighth and ninth frames. With a frame left and only a mark needed on the final stanza to upstage the defending champion, Kaneshiro's ball collided sharply onto the head pin with too much angle leaving a four count split that spelled his demise. Kaneshiro's spare attempt went assail along with the title as Manibusan laid claim to his second title with a 195-190 score.

In the semi-final round, Manibusan easily disposed of third seed Jaecelyn Espiritu 189+48 to 128+79 while Espiritu got the better of fourth seed Jeremiah Camacho in the quarter finals 120+79 to 127+63.
